2012 Residents Newsletter

Summer Edition

Presidents Message

Its that time of year in Fairway Hills when we see the most activity in our community. We have had such a stellar spring that many people feel the summer started back in March and there is still lots more of summer to come. Our picnic and golf tournament are scheduled for June and its these community events which make living in Fairway Hills the premier place to establish roots in Oakville. No other group of residents puts this kind of volunteer hours into their neighbourhood and so I encourage our homeowners, new and old, to get involved so that we maintain our strong traditions and our beautifully maintained community. Speaking of beautifully maintained, thanks to Lisa Djurfeldt and her landscaping volunteers, our entrance and flower beds are in full bloom.

We have had a relatively quiet last year as we have been involved with more maintenance and not so much "new" initiatives. Given the amount of growth and change this community has seen over the last 10 years, this can be a good thing. Focal concerns of fencing, trees and irrigation were discussed at the AGM and will be addressed as issues arise. Our 2011 Christmas Eve luminary event was truly successful with **\$5934.60** raised for the Salvation Army. Thanks to Ryan & Nicole Hassan for the luminary organization, Mirjana Wheeler for the caroling, The Daxners and all the front entrance volunteers for the Salvation Army collection.

I would like to thank the executive committee of Lisa Djurfeldt, JoAnn Daxner and Norma Discenza for their continued dedication to Fairway Hills. Many people like to express their views but few actually step up and make a difference. I would also like to acknowledge Dave MacStravick and Katie McCann for the upcoming picnic and Paul & Val Richardson for organizing our golf tournament, two fantastic summer events. Finally to Lisa Ryce for putting together the 2012 Residents Directory. On behalf of the Executive, we truly appreciate all your hard work.

Lisa and I wish all of you and your families a great summer in 2012!

Fairway Hills Annual Picnic

**Saturday, June 23rd
3pm to 7pm**

Our annual residents picnic is the summer highlight of the community and the big event is happening next Saturday! Dave MacStravick, his co-chair Katie McCann and their dedicated committee have been working hard to put on a fantastic event for all residents. Dave has done a fantastic job with this event and we are extremely grateful that he and Katie, have put in this hard work for our community.

For the new faces to Fairway Hills, this is a great way to meet new neighbours. Licks will be heading up a great BBQ and we are continuing our tradition of calling upon all residents to share a favorite summer dish. Also don't forget to bring your beverage of choice to sip that day. As always, great activities for the kids - face painting, bouncy castle, and Sportball Canada will be entertaining the kids.

We look forward to seeing you all there!

Thefts in the Neighbourhood

In the wee hours of June 3rd, a thief was making his way through our neighbourhood, discovering unlocked cars along the way. As of press time, we know that cars on Golfview Court and The Links were involved. Luckily, one of our residents was able to capture the thief in action via security camera and the info was passed over to the Halton Police for investigation.

Please be aware that our neighborhood has been targeted in the past and to remember to lock your car doors to prevent any theft from taking place. Also, if you happen to notice any suspicious activity or unknown individuals walking in the area late at night, please contact the police.

Our collective awareness will help to keep our community safe.

Special Thank You & Good Bye

As many of you are aware, our Residents Picnic organizer for the last 6 years has been Dave MacStravick from Masters Green. This is Dave's last year as Chief Organizer as he will be moving from Fairway Hills. The picnic is this community's summer highlight activity and is always considered to be THE summer event in FWH to meet your neighbours. The Executive want to express sincere thanks and heartfelt gratitude to Dave for stepping up and being the lead these last years. We appreciate all your time, energy & effort in making all the picnics a resounding success and we want to wish you all the very best Dave. You will be missed.

did you know...

- ✿ *That you must drain your pool to the street and not to any greenspace?*
- ✿ *That if you require landscaping work and need to access your property via a common area, you need to obtain a "Landscape Use Agreement"?*
- ✿ *That your fence needs to be painted "SeaCoast Grey"?*
- ✿ *For more details, check www.fairwayhills.ca for all "Fairway" news and information.*

Leaving the 'hood . . .

For those neighbours who are leaving us soon for a different city, province, state or country, we wish you and your family the very best and hope that the friendships you have made here will continue to last through the years.

Outstanding Dues

This is a reminder that your Annual Dues cheques should have been delivered to our treasurer, JoAnn Daxner way back in January. If you have not done so, take a moment and drop your \$800 cheque off to her at her NEW address - 1327 Greeneagle Drive (905.469.8576) before she has to make a trip to your door. As always, your attention to this is greatly appreciated.

Parking Issues

As it is a busy time of year with contractors and landscaping trucks taking up room on our streets, it becomes INCREASINGLY difficult and dangerous for cars and especially buses to navigate the turns on our streets. Please remind your visitors and anyone doing work to not park on both sides of the street or near corners. We are asking all residents to be considerate and aware of this hazard.

Have a safe, happy and healthy summer!
